Professional Experience

July 2016 – Present | Lead Graphic Designer | World Justice Project | Seattle, WA
Visualized data sets, designed reports, and aided in website design while developing the organization's brand and user experience.

Feb. 2016 – July 2016 | Junior Designer | Wireless Advocates | Seattle, WA
Produced templates, to maximize efficiency, and graphics for both print and digital media such as point of purchase (POP) signs and advertisements.

Oct. 2015 – Oct. 2016 | Freelance Designer | Micheal Sparks Design | Richmond, VA
Established a branding system for The Underground Kitchen campaign and applied it through event/experience design as well as through redesigning the website.

June – Aug. 2015 | Graphic Design Intern | Sullivan | New York, NY
Worked on various projects, designing for both clients and for the PR team within the company to further their social media.

June 2015 – Present | Graphic Design Consultant | GT Engineering | Redmond, WA
Designed and developed a new website for the company, improved SEO, and guided the start to their social media campaign.
